

The Third Vietnam Symposium
on Advances in Offshore Engineering

The Third Vietnam Symposium on Advances in Offshore Engineering

Interdisciplinary & Integrated Solutions
for Sustainable Offshore Infrastructure

12-14 December 2024, Hanoi, Vietnam

<https://vsoe2024.sciencesconf.org/>

VSOE 2024

- Primary objectives

- Foster interdisciplinary collaboration and integration across various fields related to offshore engineering.
- Showcase innovative technologies and approaches that enhance the sustainability and efficiency of offshore infrastructure.
- Provide a forum for discussing the latest research findings, industry trends, and regulatory developments.
- Encourage the exchange of ideas and best practices among participants from different regions and sectors.
- Promote the development of integrated solutions that consider environmental, economic, and societal factors.

- Key participants

1

Experts, practitioners, researchers

Present state-of-the-art research trends in offshore geotechnical engineering related to renewable and nonrenewable energy.

2

Industrial firms

Demonstrate their cutting-edge technologies being practiced in offshore geotechnical engineering.

3

Policy makers

Present their domestic policies in exploring renewable and nonrenewable energy resources to potential investors

VSOE 2024: Sponsorship opportunities

Platinum sponsors with exclusive benefits during the event

2 places available

Platinum
5,000 EUR

Gold sponsors:
5 places available

Gold
4,000 EUR

Dinner sponsor
3,000 EUR

Silver
3,000 EUR

Silver sponsors:
Limited places available

Bronze
2,000 EUR

Media partners

Social program
2,000 EUR

Proceedings (Springer)
5,000 EUR

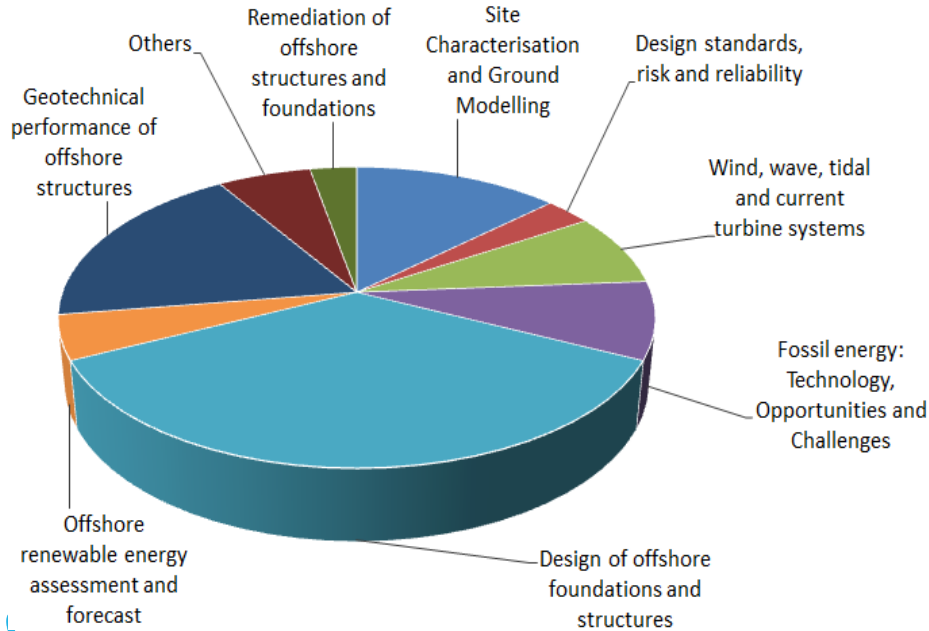

VSOE 2024: Sponsorship opportunities

No	Benefits offered to sponsors	Platinum	Gold	Silver	Bronze
		5,000 EUR	4,000 EUR	3,000 EUR	2,000 EUR
	2 full conference registrations so that sponsors have sufficient time to discuss with the members of Vietnamese government, leading professors and experts in the field of Offshore Engineering.	✓	✓		
	Sponsor's TVC ads (up to 30s) frequently on projection screens during the greeting time, before the official ceremony of the symposium.	✓			
	Sponsor's TVC ads (up to 30s) will be displayed frequently on projection screens during the symposium tea-break time, and during lunch time.	✓	✓		
	Sponsor's logo to be presented on the backdrop at the official press symposium to announce the Symposium VSOE2024 with the participations of key reporters from major newspapers and academic journals.	✓	✓	✓	
	Organizing Committee will arrange meeting upon requests between the sponsors and professors, reporters, top experts for more discussions on cooperative opportunities and bilateral technical consulting.	✓	✓	✓	

VSOE 2024: Sponsorship opportunities

No	Content	Platinum	Gold	Silver	Bronze
		5,000 EUR	4,000 EUR	3,000 EUR	2,000 EUR
	Sponsor's logo to be printed on the backdrop at the official symposium hall.	✓	✓	✓	
	Sponsor's logo to be printed on the posters placed in conference rooms and in the great hall of the university during the symposium.	✓	✓	✓	✓
	Sponsor's name and logo would appear and to be named at the introduction of conference's donors list on official symposium website: https://vsoe2024.sciencesconf.org/ and be linked to sponsor's website.	✓	✓	✓	✓
	Information of products and services of the sponsors would be presented during the meetings between the Organizing Committee and its partners, domestic and foreign agencies related to the organization of the symposium.	✓	✓	✓	✓
	Organizing Committee would facilitate the space of one page for sponsors to introduce its products and services on the official website of the symposium.	✓	✓	✓	✓
	Sponsor's advertising documents would be placed at convenient locations for participants to collect.	✓	✓	✓	✓

VSOE: key features

VSOE: key features

ENERGY & GEOTECHNICS
UNDER THE AUSPICES OF THE ISSMGE TECHNICAL COMMITTEES TC-308 AND TC-209

NOVEMBER 1-3
2018
HANOI, VIETNAM

ORGANISERS

SPONSORS

SUSTAINABLE ENERGY AND MARINE PLANNING
UNDER THE AUSPICES OF THE ISSMGE (TC-308, TC-209) AND VSSMGE

OCTOBER 24
2022
HO CHI MINH CITY
VIETNAM

VSOE: Outstanding speakers

Tran Hong Ha
Minister of Natural Resources and Environment of Vietnam

[Biography >>](#)

Cáit Moran
Ambassador of Ireland to the Socialist Republic of Vietnam

[Biography >>](#)

Hilde Solbakken
Norwegian Ambassador to Vietnam

[Biography >>](#) [Abstract >>](#)

Atilla Incecik
Professor of Offshore Engineering, Associate Principal and Executive Dean of the Faculty of Engineering, University of Strathclyde, United Kingdom

[Biography >>](#) [Abstract >>](#)

Bui The Duy
Deputy Minister of Science and Technology, Vietnam

[Biography >>](#)

Lars Andresen
Ph.D., Managing Director, Norwegian Geotechnical Institute (NGI)

[Biography >>](#) [Abstract >>](#)

Maarten Vanneste
Principal Geoscientist Offshore Energy, Norwegian Geotechnical Institute, Norway

[Biography >>](#) [Abstract >>](#)

Phillip Watson
Shell Professor of Offshore Engineering, University of Western Australia, Australia

[Biography >>](#) [Abstract >>](#)

Mark Randolph
Professor at the University of Western Australia, Centre for Offshore Foundation Systems, Australia

[Biography >>](#) [Abstract >>](#)

Nick Ramsey
GeoConsulting Leader, Fugro GeoConsulting

[Biography >>](#) [Abstract >>](#)

Ha-Duong Minh
Senior scientist at Centre National de la Recherche Scientifique, France

[Biography >>](#) [Abstract >>](#)

Sung-Ryul Kim
Professor, Department of Civil and Environmental Engineering, Seoul National University, Korea

[Biography >>](#) [Abstract >>](#)

PLENARY SESSION & PANEL DISCUSSION (New World Saigon Hotel - Club Boardroom)

Keynote : Prof. Phil Watson, The University of Western Australia
Innovative research to support offshore renewable energy

Keynote: Maarten Vanneste, Norwegian Geotechnical Institute
Data-driven ground models: the road to fully-integrated site characterization and design

Panel Discussion: Vietnam Offshore Energy

Moderators: Hang Dao, Clean Energy Investment Accelerator Vietnam & Ha-Duong Minh, VIET Denzel Eades, Managing Director, Pioneer International Consulting, Singapore
Dung Vu Viet, Director, Power Plant Operation and Management Center, PECC2
Riccardo Felici, Country Manager, OWC Vietnam
David Donaghy, Technical Manager - Geotechnics, Ocean Infinity
Dien Tran Quoc, Deputy General Director, PECC3
Hung Nguyen Viet, CEO, CTV Wind
